

I'm excited to inform you about a special promotion on the Ameren Missouri Marketplace that we believe your community members will find valuable. For a limited time, Ameren Missouri residential electric customers have the opportunity to purchase a Google Nest Thermostat for just \$1, with free shipping included!

Here are the details of the promotion:

Offer: Get a Google Nest Thermostat for \$1

Terms: Offer valid through March 4, 2023, or while supplies last. Terms and conditions apply.

MSRP: Google Nest Thermostat valued at \$129.99

To take advantage of this fantastic offer, community members simply need to log in to their Ameren Missouri account and start shopping on the [Ameren Missouri Marketplace](#). If prompted to select from multiple accounts, please choose your current Ameren Missouri residential electric account to [access the marketplace](#) and enjoy instant discounts.

Discounts, shipping, and taxes will be applied at checkout.

This promotion presents a great opportunity for community members to enhance their home energy efficiency while saving money on a high-quality smart thermostat.

Please feel free to share this information with your community members through your preferred communication channels. We appreciate your support in helping us spread the word about this exciting offer!
