There has been an increase in attempts at stealing and tampering with vehicles in the 1200 / 1300 block of Weleba. Officers are increasing hot spot patrols in the area and following up on leads.

Officers conducted a saturation patrol on July 4th. As a result, officers received credible information of illegal sales of fireworks from a vehicle in the City of Cool Valley. The officers on the detail located the vehicle and confiscated approximately \$5,000.00 in illegal fireworks which were being sold and summonses were issued.
